

What to do next?

Too little time,
too much to do.
Not enough hands,
too many mouths.
What to do next?

The very next
urgent thing to do.
Is stop, wait
and listen.
Calm your heart
calm your fears.

Your Lord, your lover
is here.
Ruth at the
feet of Boaz.
Take peace
and trust.

Listen for strength
and the right path
will be given.
All things
for the right time,
in the right time.
For he
loves you more
than you can see.
