

Poured Out

The wine offering
pours cascading
onto the altar.
Exuberance and joy abound
our Lord is worthy
of our praise and love.
As our lives pour out
onto the altars of life
expending our time and energy.
Is it our Lord of life
who we pour out
our energy and life for.
Demonstrating our
overflowing love of him,
love of ourselves and others.

Note: part of the lent series, the image is from the web. We are continually renewed, and continually spent, a jar of clay in our masters hands, into whose lives will we flow today.
