

Testimony life

Is our life for
us?

Is our life for
our pleasure?

Is our life for
????

Our life is for
joy in the Lord.

Our life is for
talking about him.

Our life is a
testimony of trust

Is our life for
our children?

Is our life for
our partner?

Our life is for
being with our lover.

Our life is for
living for God.

in his love and providence.

You show love
and you will be in the best place
to receive his love back.
