

# See reality

We love him

he does love us.

But our love

can be a wizened pathetic thing,

in need of CPR.

always keeping an eye on

what we need.

But the love

we have been

and are being given

is everything.

All we need

is to be in the right place

to receive it.

and see it

for what it is.

Be happy

love and trust me

be my hands and heart.
