

Jackals

Jackals of fleet street

fear is their coin.

Uncertainty and mistrust

their banner.

Shout all the louder

enlarge their coffers.

See their phantom form

grasp the peace from above.

Note: part of the lent series, the image is from the web, A thought, if you read the papers and news feeds and all the other media. Remember to filter out their fear and sensationalism. The papers just want the big news so that you come back tomorrow. Whereas God is the real proprietor; he gives the best Good News, of love and life.
