

Underpinning

Love underpins

our existence.

Love of two bodies entwined,

that created the spark of us.

Unperfect love that

let you grow into who you are today.

Gods prefect love

which is sculpting us daily,

smoothing imperfections,

teaching us the ways of life,

loving us so we can love in turn.

Note: part of the lent series, the image is from the web. Love is always their from our Father, it is easier to see and understand if we experienced it when we were smaller.
