

Value in Yourself

See us clothed as we are

we have no sin.

healed, washed clean.

The sin is not any true part of us

it's the scars left there by the world.

the scars left in our hands.

M. Green, April '20

Note: part of the lent series, the image is from the web. The scars are there to see, to learn from, to remember, our 12 stones from the Jordon. But they do not define us, we are hands in the service of Christ.
